

Yuck or Yum Activity

Kindergarten Children

Have been learning all about what tastes they like and dislike. They tried several different foods and decided whether they were Yuck or Yum. It was quite interesting and surprising to see what the children liked and disliked.

Important Dates:

June 16th - Last day to make summer camp changes.

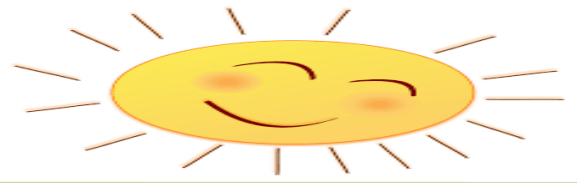

June 18th - Father's Day

June 29th - PD Day – Booster Juice Fun Lunch Day.

June 30th – Closed in Lieu of Canada Day

Mario Brothers Week

Reminders:

Please prepare your children for running and playing outside each day. Please no flip-flops or crocs, and make sure they have a hat, water bottle, lotion sunscreen, and footwear that they can run and jump in while participating in their activities.

If your child is attending one of the [Calaway Park](#) days through summer camp, we still have passes here for you to purchase for \$25, if you do not purchase a pass the cost to attend each day is \$17.

Thank you

to all families that came out to [Lights on Event for Family Night at Fish Creek](#). The event was a success and everyone seemed to be having a wonderful time.

Junior Leaders

Are taking on more responsibility around here! This month they each have an afternoon to choose, plan, and run an activity. They are noted on the calendar.

Sparks Science Centre

What's Been Happening

The garden is coming along well. We have some great little helpers here at [Juvenesence](#). These boys did a fantastic job helping us put together the planter and move dirt.
