## Important Dates and Info

February 1st is a PD Day! We will be staying at the centre and having a magic day! Balloon animals and magic tricks galore to fill our day with fun!

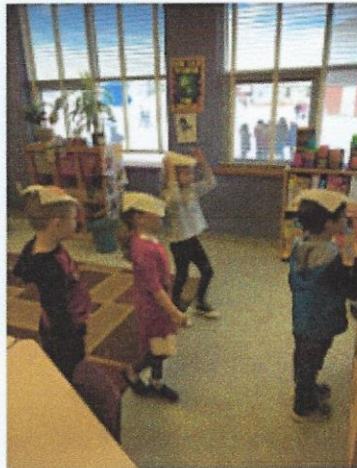

The centre will be closed on February 14th and 15th for Teacher's Convention. All Juvenescence staff will attend training on these dates at head office.

The centre will also be closed February 18th for Family Day.

This month we welcomed Melissa our Director from St. Marquelite! Melissa will be with us for the next couple of months to help direct our centre in the interim. Come say hello!

Hello families!

Welcome to your Juvenescence Newsletter for the month of February. As always, if you have any comments or suggestions for our program, we would love to hear from you! Add us on Facebook or pop in for a chat! [www.facebook.com/groups/juvenescencechaparral](http://www.facebook.com/groups/juvenescencechaparral)

## What's up at Juvenescence?!

Staff have been attending hours of training during the month of January to help better ourselves towards the care of your children. We've been working super hard on our professional development as well as working on making the centre as great as it can be for the kids. Feel free to come check it out!

The children have been LOVING going outside and playing in the snow, and sledding down the man-made hill. We've been quite lucky with our weather so far this winter. The older children have been working hard at keeping their room clean and tidy, as well as helping out with our bulletin boards. We are working towards a few ongoing projects for the older children to keep them busy!

Kinders have been enjoying learning new dance moves and just love moving to music! Arts and crafts are always big at Juvenescence, and the children have been enjoying discovering new materials in our art centre to create with. So much fun!
