We will be starting our Park Days this month: On Monday the children will be given the option to go to Park and Wednesdays will be our centre wide park day. This means all children will attend Park. We will pick up from schools and then go to the park, returning to the centre by 4:30. If you would like to pick your child up at the park please let us know .

Affordable Childcare Initiative

We have been working with the School Age Care Directors Association of Alberta in discussions with the government to provide access to quality, affordable childcare. This initiative could really use your help and support. We will be posting more information on our Facebook page please watch for it.

This month we will be doing a Healthy Choice Fund-raiser called **Farm to School**. This fundraiser provides our families with the choice to purchase Bundles of fresh vegetables from our local farms . For every 12.00 bundle sold 6.00 dollars will be donated to Juvenescence Douglas Glen, and on every 22 dollar bundle sold 12.00 dollars will be donated to us. We will be purchasing new toys for the centre.

In case you weren't aware, we are on Facebook. If you haven't already, follow our page where we try and post pictures of the children engaged in activities as well as upcoming events.
