

Summer Camp

Our summer camp packages have been emailed out, check your inbox. Please just use the second one that I sent out, it will allow you to fill your information on the word document. You can bring the forms in or email them to me starting APRIL 2ND.

We have a lot of wonderful activities planned for the children.

Bring on the nice weather and fun days!

Important Dates

April 1st: April Fools/Easter Sunday

April 2nd: Summer Camp Registration Open

April 15th: Early Bird Ends

April 20th: PD day

April 30th: Summer Camp opens for public

Thank you to all

the families that filled out our accreditation surveys.

Our site visit will be coming up, so all the staff have been working hard to get ready for them to come.

ACCREDITATION DEFINITION

Accreditation promotes excellence in child care settings in Alberta and helps families choose the best care for their children. It is based on standards of excellence that reflect current research and leading practices to provide high quality child care over and above licensing regulations for children from birth to 12 years of age.

MEDICATION ADMINISTRATION

An authorization form must be signed by parents if medication needs to be administered to a child including over the counter medications such as Tylenol or cold remedies. All medication must be in its original container and will only be administered according to the labelled directions.

- Program Leaders will administer medication as required, and document the name of medication time administered and dosage administered and the initials of the person administering.
- Children with severe allergies requiring an epi-pen must have an epi-pen on site at all times and may not attend the program without it. A completed Epi-Pen form must be on file.
- All medication will be locked up at all times with the exception of medication which may be needed in an emergency.
- Leaders are to be on alert for adverse reactions to medication.
