

## IMPORTANT DATES

October 6<sup>th</sup>: PD day (Field Trip)

October 9<sup>th</sup>: Closed (Thanksgiving)

October 31<sup>st</sup>: Family Night

## Family Night

The children have voted and they would like to have another Halloween Family Night.

This means you can send your child with their costumes and we will get them ready for trick or treating!

We will be serving food for the children and the parents.

Come on in and chat with the staff and share a meal with your child.

There will be a sign-up sheet to follow.

## One Month Down

It is hard to believe that September is already done!

The children are falling into routine nicely and they are a pleasure to have at the program.

We have been lucky with great weather so far. Which means more time outside!

## Parent Handbook

### LOST CHILD PROCEDURES AND FEES

If your child does not show up after school and we are expecting them, they are considered lost until we locate them. The program will contact the parents and school in an effort to locate the child. If the parent does not answer the phone we are required to call the police for a lost child. Parents will be charged \$75.00 if the police are contacted and the child is with the parent. It is extremely important to contact the program if your child will be absent – our staff will look for them until we confirm their whereabouts.
