Family Challenge

The first challenge is posted on the parent board, once you have given it a try with your family make sure to sign the paper, so we know you have tried it. A new one will be posted in the next two weeks.

January has come and gone! The children did a wonderful job sewing their own pillows and painting with popsicles. The children have been enjoying the nice weather by playing outside and have taken advantage of all the new sensory activities in the Centre. They are all crazy about SLIME!

Just a reminder we are **closed** during teacher's convention which is **February 15&16**. This is when all our staff attend our own professional development, giving us the opportunity to learn and grow which helps make the best possible program for your children.
