July 2: Closed

July 3: First Day of Summer Camp

Summer is almost here as well as the end of another school year. Things are going to look very different next year with us getting a permanent class room in the school that we can set up as our own, but also because a lot of the families who have been a part of our program over the last couple of years will be relocating to Divine Mercy in Mahogany now that it will be open in the fall. Best of luck and thanks for a great couple of years.

This year, like last year, we would like to invite everyone out for the end of the year BBQ. It is a great opportunity for us to say goodbye to you and your children and wrap up another successful year. On June 28th we will be transporting the children right after school to Fish Creek Park. You can pick them up from there and join us for some games, food, and socializing with friends and families. We will be sending out more details in a couple of weeks once everything is finalized.

With the end of the school year arriving, please note that we do not have access to the school on Friday, June 29th and so the last day of class is also the last day for Juvenescence at Monsignor Smith (June 28th). Please remember to take home all of your belongings and emergency medications. Any personal items left at the end of the day on June 28th will be thrown out or donated.
