On November 17th we had an amazing field trip to TEUS Spark. We got to spend the entire day exploring, climbing, learning, playing, and having an all around great experience.

Some of our favorite activities were taking apart electronics, creating dams and river paths in the water table, playing in the climber, and the nail bed.

If you would like to know see more of what we did, we have posted a bunch of pictures on our Fakebook page

November has come and gone and we are now into December. We only have 3 weeks here at Monsignor Smith before we will be closed for 2 weeks and starting winter camps at Douglas Glen.

Winter Camp registration is still ongoing if you haven't registered your child for Camp yet. The last day to make changes to days registered for is December 1st. After December 1st you will be able to add additional days if we have room available, but you will not be refunded for days you no longer need care for.

We have a lot of exciting activities planned for winter break such as a trip to Lloyd's to go roller skating, making ginger bread houses, a New Years party, and a field trip to go swimming. Regardless if you are spending winter break with us or not, we hope you have a Very Merry Christmas and a Happy New Year!
