

OCTOBER

Important Dates

October 6: No School

October 9: Closed for Thanksgiving

October 31: Halloween

We have had a very busy month but we are finally starting to settle into a routine for the year. We are working on some fundraisers for the program which you can read about at the bottom of this newsletter and we have also been working with the School Age Care Directors Association of Alberta in talking with the government to provide access to quality, affordable childcare. This initiative could really use your help and I will be sending along more information in regards to it.

In the coming weeks we are looking at having a family night. We have not finalized the details on that yet but we will send those out as soon as we get them and hopefully you will all be able to attend!

This month we are doing The Healthy Choice fundraiser with Farm to School. Through this program there are 2 bundles of fresh produce available that you can order and have delivered to Juvenescence for you to pick up. 50% of the proceeds go to Juvenescence to help support the cost of our program while the rest of the proceeds go to programs like the Alberta Food Bank to help those in need. If you are interested in participating in this fundraiser, please have your orders in by October 13th.

In case you weren't aware, we are on Facebook. If you haven't already, follow our page where we try and post pictures of the children engaged in activities and upcoming events.
