

XOXO FEBRUARY

Important Dates

February 2: Groundhog Day

February 14: Valentine's Day

February 15: Closed for Professional Development

February 16: Closed for Professional Development

February 19: Closed for Family Day

Be Mine?

- A. Yes
- B. A
- C. B

On Wednesday, February 14 we will be having a mini Valentine's Day party. In an effort to be inclusive to all the children and not have anyone feel left out we are asking that any cards and treats that your children plan on handing out to their friends is done prior to coming to Juvenescence and that they are kept in their bags while at Juvenescence.

We will also be having a movie on this day as we are going to be closed on the 15 & 16 for Professional Development.

January has come and gone and we are hoping that the cold weather will be leaving as well so that we can start getting in more active play outside on the playground.

Playing outside has posed a little bit of a challenge for us in many different ways other than the weather. Most notably, we often find that a lot of the children come to school unprepared for the weather. Many children are often missing toques, mitts, snow pants, and even proper outdoor footwear. It is also a little bit of a struggle for us with the doors getting locked after school and not having a firm time on when they end up getting locked (if at all), so to account for this, when we start going outside on a more regular basis the children will be bringing all of their belongings outside with them and you will be able to pick them up from the playground. If the door is locked and the doorbell isn't up, then we are outside playing.

New this month we will be having two volunteer guests coming in to do special projects with us.

Check your calendar for those dates!

If any of you have any hobbies or skills that you would like to share with the class, we would love to find time to have you in to share that with us and teach the children something new and exciting!
