

XOXO

FEBRUARY

Important Dates

- 2 — Groundhog Day
- 14 — Valentine's Day Party
- 15 + 16th — Teachers Convention
- All Juvenescence are CLOSED
- 19 — Family Day
- All Juvenescence are CLOSED

Important Reminders

Families, thank you very much for your recent efforts in complying with our request not to use the school parking lot for drop off and pick up. By respecting the school's rules around no drop off or pickup of students in the parking lot (which is a rule enforced for all parents of students throughout the school day), we sustain our positive and symbiotic relationship with the school.

Hours of Operation: 7:00am – 5:30pm

ZOOM! There goes January, and already 2018 is old news by a whole month! We are on to a month of appreciating the ones we love, spending time with family, and praying that our friend the Groundhog will not see his shadow.

In the month of January we enjoyed cooking up and sampling two more recipes submitted by families. Delicious, we even got some kids to eat vegetables! We are hoping to see more recipes come in soon from our families who have yet to share their favourite treats, meals, or snacks with us. Please remember that we do not have access to a grill or oven, but anything that is no-cook or can be cooked over our hot plate is welcome.

Please remember families that we are closed for our own Professional Development activities during teachers convention on February 15 and 16th. We look forward to learning about all kinds of new ways to make your children's experiences with Juvenescence as full, diverse, and rewarding as possible.

Finally, families please be aware that your 2017 annual tax receipts were emailed to you on January 22, 2018. If you have not received your tax receipt in your email, please let Juvenescence staff know by email and we will be happy to re-send your tax receipt or provide you with a printed copy.

Be Mine?
