May was full of fun outdoor adventures. We did sketching outside (some of us made treasure maps to follow), found rocks to paint, played with chalk, and played so many games. Our favourite game for the month was Revenge Tag.

We also had an amazing trip to the zoo, unfortunately we opted not to see the pandas due to the long line ups, but we did see almost everything else!

Some huge thanks go out to Andrew and Trent for helping us out and volunteering to tag along with our crazy group for the day. We appreciate the extra hands and eyes!

With all the fun we had at Copperfiled Park, we will be walking there every Wednesday throughout the month of June. If you plan on picking up earlier than 4:30 on Wednesdays, please meet us there.

## Year End Family Night @ Fish Creek Park

We will be leaving right after school on Thursday June 28 for Fish Creek Park, please meet us there for food, games, and lots of fun for our year end wrap up party! Children must be picked up directly from school at 2:40 or from Fish Creek Park. More details to come via Facebook and email in the coming weeks!

## GREAT NEWS FOR NEXT YEAR

We just received word that we will have our own classroom starting in September! We will be in the portable on the right-hand side. Less walking for everyone in the morning and pick up! More details will come out as we know them.

As some of you may not be attending this summer, I want to take this opportunity on behalf of Jinny and myself to say a huge **THANK YOU** too all of you parents who have made this school year so wonderful and fun. It's been a real pleasure working with you and your children.

If you are not returning in the fall, we will miss you and wish you the best of luck in whatever comes next!
